

Hispanic Ministry News

Iglesia Emanuel and Northgate recently hosted a "Taco Festival," which was attended by many friends from First Pres, St. John's, and the surrounding neighborhood. Our guests were very enthusiastic about the food and opportunity for fellowship. We are planning to host a "Pupusa Festival" on Saturday, August 28th, and a Mexican Independence Day celebration in September.

Our soccer program is going very well, with four teams competing in a recently formed informal Latino league. We are currently participating in a multi-week tournament, and played in the Latino Festival tournament. Our head coach now has the help of two excellent assistants (all volunteers), and there are 60 children participating in the program, practicing on Thursday evenings and competing on Saturdays.
