

Monmouth™

What college was meant to be.

December 16, 2011

Dear Pastor,

We would like to introduce you to the new Presbyterian Scholarship available at Monmouth College. The Presbyterian Scholarship awards students who are interested in connecting their faith to an education at Monmouth College.

Monmouth College was founded by Scotch-Irish Presbyterians who had a strong commitment to education. We at Monmouth College value this heritage and are committed to offering a liberal arts education that prepares students to be servant-leaders, actively engaged in their communities and the world. Our Church Leadership Program together with many religious and spiritual life opportunities complement this education providing a meaningful context for growth in faith.

Two Presbyterian students per state are eligible for a \$5,000 scholarship. These scholarships are renewable for up to three additional years. It is our hope that you will assist us in awarding these deserving students by nominating them at monmouthcollege.edu/scholarships. Students may apply for this scholarship at the aforementioned website or by submitting the enclosed scholarship form. Additionally, students must receive a letter of recommendation from you, their Presbyterian pastor, on church letterhead. Please address these letters to: ATTN: Vice President for Enrollment.

We value our affiliation with the Presbyterian Church (U.S.A.). Through these scholarships, we hope to further honor this affiliation and our partnership with you as, together, we nurture future generations to thoughtfully and responsibly lead us through the unique challenges of the 21st Century. If you have any questions regarding these Presbyterian Scholarships, please feel free to contact our Office of Admissions.

Sincerely,

Rev. Dr. Teri McDowell Ott
Chaplain of Monmouth College
