SECTION 1: FILLING OUT THE COMPENSATION PACKAGE

1. Annual cash salary- Include only cash salary. Do not include any pre-tax deductions such as a 403(b) contribution or a flexible spending account for medical and child care expenses.
2. Housing allowance- The housing allowance may not exceed the fair rental value of the home plus furnishings and utilities. *(Please note- This guideline reflects new tax legislation, effective January 1, 2002, that replaced existing tax legislation allowing clergy to claim a non-taxable housing exclusion equal to the actual housing expenses incurred in a calendar year.)*
3. Utilities Allowance- If the church pays the minister an annual allowance for utilities, this amount should be reflected as a utility allowance on line 3. If the utilities are maintained in the church's name and paid directly by the church, check the box indicating that utilities are provided- do not put a dollar amount on line 3.
4. Medical Supplement- This is a flexible spending account for medical expenses (cafeteria plan) that allows for pre-tax deductions from the employee's salary for out of pocket medical expenses.
5. Social Security Offset (above 50%)- Ministers are responsible for a social security tax that is calculated at a rate of 14.3% of effective salary. Churches are responsible for paying to the minister at least 50% of that amount- (7.65%). Churches that pay the minister a social security offset in excess of 7.65% should report the excess amount in box 5. *(Please note- do not enter any amounts for social security in box 5 that are 50% or less .*
6. Deferred Income- voluntary deductions from an employee's cash salary that are deposited into a tax deferred annuity account such as a 403(b) plan.
7. Bonuses, Unvouchered Allowances, Gifts- includes cash bonuses and gifts from the employing organization. Unvouchered allowances that are paid through *non-accountable* plans such as a car or book allowance are also included. *(Please note- this is not to be confused with an accountable reimbursement plan that provides for vouchered reimbursements of travel, continuing education, and other professional expenses. Those amounts are entered onto lines 12, 14, and 15.)*
8. Other Applicable Income- includes all items that can be considered "effective salary" for purposes of calculating the Board of Pensions dues. An extended list of these can be found in Section 4 of this document.
9. Value of Manse – The value of the manse should be at least 30% of the total of lines 1-9.
10. Effective Salary- total of items 1-9. This amount will be used to calculate Board of Pension dues.
11. Travel Reimbursement (vouchered reimbursable)- Per Committee on Ministry guidelines, all vouchered travel expenses should be paid through an Accountable Reimbursement Plan (ARP). See #15 of the instructions, *Other Vouchered/Reimbursable Expenses*.
12. Professional Development (vouchered reimbursable)- Per Committee on Ministry guidelines, all vouchered continuing education expenses should be paid through an Accountable Reimbursement Plan. (ARP). See #15 of the instructions, *Other Vouchered/Reimbursable Expenses*.

13. Social Security Offset (50% or less)- the purpose of the Social Security allowance is to provide ministers with 50% of their self-employment tax as prescribed in the *Minimum Standards of Compensation* for ministers in New Hope Presbytery. The Social Security allowance is calculated at a rate of 7.65% of the total effective salary reported in box 10 and includes annual cash salary, the value of the manse, utilities allowance, housing allowance, and shared housing equity. **The amount in box 13 is not included in the effective salary calculation.** (Please note- this is not to be confused with the Taxable Social Security (above 50%) that is referenced on line 5.)
14. Books/Other Professional Expenses- Per Committee on Ministry guidelines, all vouchered book and other professional expenses should be paid through an Accountable Reimbursement Plan. (ARP). See #15 of the instructions, *Other Vouchered/Reimbursable Expenses*.
15. Other Vouchered/Reimbursable Expenses- Per Committee on Ministry guidelines, all vouchered travel, professional development/continuing education and book/other professional expenses should be paid through an Accountable Reimbursement Plan. (ARP). **These amounts should be included on the Accountable Reimbursement Plan line on line 21 under Other Vouchered/Reimbursable Expenses.** All expenditures charged through the ARP need to be mutually agreed upon at the time of the Call/Change in Terms of Call. It is recommended that the church draft an agreement outlining the type of expenses to be included in the ARP. (A sample ARP can be obtained from the Presbytery's website- <http://www.nhpresbytery.org/pdf/Arp.pdf>.) Other vouchered expenses that are paid through an accountable plan with the exception of expenses vouchered through a flexible spending account for medical or child care expenses. An extended list of these can be found in Section 4 of this document. *IRS Standard Mileage Rate effective 01/01/10 is 50 cents per mile.*
16. Board of Pensions- Dues are calculated based upon the total effective salary reported in box 10. **Since the Stated Supply position is not an installed position, BOP dues are not required, but may be paid if desired.** Complete dues information can be found at: <http://www.pensions.org/>. Basic dues information is as follows:
